Speakers

Mr. Amir Adnani: CEO and President, Brazil Resources Inc.

Speech: “The Outlook for Gold Prices, Gold Exploration and the Emergence of Brazil's Fast Growing Gold Mining Sector”

Amir Adnani is a founder of Brazil Resources Inc. and since 2005 has served as CEO and President of Uranium Energy Corp. an NYSE Amex-listed company which he

co-founded and led to become one of North America's newest uranium-producing companies.

Mr. Adnani is an entrepreneur with a unique background in business development and marketing. In 2004, he founded Blender Media Inc. where he served as President and a director until 2006.

Mr. Masoud Nabavi, Senior Buyer, Fluor Corporation

Speech: “Material Management at Mining EPC environment”

Masoud Nabavi graduated in Electrical Engineering program with Masters degree from Tehran University. After a few years of solid engineering experience, he switched to sales engineering for a leading international electrical firm.

Then, he started his career in Material Management as a Buyer/Expediter at management level. Currently, Masoud has the responsibility as a senior buyer at one of the largest EPC company in the N. America mining sector.

Mr. Nick L. Nicolaas, President & CEO of Mining Interactive Corp.

Speech: “What Will the Future Bring”

Mr. Nicolaas brings over 40 years of leadership, management, marketing and

financing expertise. As the market awareness consultant, he has been involved in the forming and structuring of private and public companies including financial consulting services, corporate

communications, and investor relations to assist in the creation of strong after-market support and subsequent shareholder value.

To increase worldwide market exposure and investor awareness Nick, through his company Mining Interactive, has provided his clients in the Resource Industry with Investor Relations and Name Branding services since 2000. www.mininginteractive.com
